Regional School District 4
Chester – Deep River – Essex – Region 4

Approved Budget for School Year 2013/2014

ESSEX SCHOOL DISTRICT

The Essex School District is part of a system of schools comprising the Chester, Deep River, Essex, and Region 4 school districts. The districts are governed by multiple Boards of Education and administered under the auspices of the Supervision District agreement. The Boards of Education are committed to providing a rigorous, challenging, and cohesive educational program with a PK-12 line of sight.

Essex Elementary School

Essex Elementary School opened in 1954 and serves students in Essex, Centerbrook, and Ivoryton. Today, Essex Elementary School serves approximately 558 students in grades PK-6. Essex Elementary School has high expectations for all students and uses a School Improvement Process to improve student achievement. School Improvement is a continuous process used to ensure that all students are achieving at high levels. Continuous improvement is essential to provide increased student performance and quality results. Innovative, exemplary, and research-based programs, coupled with professional development, focused and aligned resources, and public participation in planning, are critical factors in schools that demonstrate continuous growth.

An early intervention process, SRBI, supports teacher and specialist collaboration for effective use of instructional resources and to monitor student progress. Performance Plus is used to monitor interventions and student data at Tier II and Tier III. All of these efforts are coordinated to provide seamless instruction between all professionals in the building for a continuum of instructional support for student growth. Meetings are held to discuss best practice, review student data, and plan collaboratively. The efforts of the staff are positively affecting student achievement and the staff is committed to continuing their efforts and expanding upon them in the future.

Besides a strong academic program in reading, writing and mathematics, there are other programs to enrich our students' elementary experience. Students in grades 3-6 participate in the World Language/Spanish program. Technology is integrated into the classrooms through three laptop labs, one full size ipad lab and one mini ipad lab along with multiple desktop computers in every classroom. The band and choral programs encourage students' skills in music. A school-wide Art Show demonstrates the multitude of media that students create in grades K-6. The Parent Teacher Organization (PTO) provides enrichment programs for students in the Cultural Arts, field trips to enhance the curriculum and a myriad of opportunities for parent/family involvement. The Essex Elementary School Foundation funds the Historian in Residence Program for students in grades 4,5, and 6 and a World Cultures program for students in grade 3. The staff continues to enhance its Social Development Program, which helps to narrow the disparity between students who are already successful in school and those who struggle in school. The Social Development Program promotes a school culture, climate, and curriculum, which foster the social, emotional, and behavioral development of students. The Social Development Book of the Month program embeds our core values into the general curriculum in each classroom. At Essex Elementary School we strive to provide a strong academic program and to create an atmosphere that fosters a love of learning and a sense of community.

ESSEX SCHOOL DISTRICT

Mission and Vision Statement

Our Mission ~

We, the schools of Chester, Deep River, Essex and Region 4, engage all students in a rigorous, challenging, and cohesive educational program. As a community of learners, we foster individual student achievement and empower students to excel in an environment of collaboration, responsibility, and mutual respect. We prepare our students to be knowledgeable, involved citizens in a rapidly changing world.

Our Vision Statement ~

Our schools endeavor to develop an educational program of excellence where all students achieve at high levels and best instructional strategies are pursued in an environment of inquiry, collaboration, support and trust.
