

DESIGN THIS SUMMER –

Fashion Camps at the Arts Center Killingworth

FASHION WEEK I July 13-17, 2020 | Ages 11-15

Mornings are spent working with a professional illustrator learning to draw the fashion silhouette as live models pose for your sketches. End the week of illustration with a portfolio ready piece. Afternoons are spent with professional seamstresses learning to read, pin and cut a pattern of your choice. Construct and finish your garment by sewing and adding accessories. Professional hair and makeup stylists help prepare you for the end of the week photo shoot and fashion show. Model your creations for friends and family!

FASHION WEEK II July 20-24, 2020 | Ages 15-18

During Fashion Week II, fashionistas dig deeper and focus their designs on the influences of top fashion designers. This year, Anna Sui will be our muse. For her innovative work, Sui has been called a designer who “never panders” by The New York Times, and earned the distinction of being named to Time magazine’s list of the decade’s top five fashion icons. Learn sketching as live models pose for your Sui inspired designs. Afternoons, fashionistas sew their creations and add details. The week culminates with a portfolio-ready fashion illustration and their turn to make their way down the runway for family and friends.
