

# NATURE ART CAMP

**Ages 7-12**

**July 27 -31**

For the young artist, ***Nature Art Camp*** runs July 27-31 (9am-4:30pm) for ages 7 to 12. Spend summer days drawing en plein air, and painting and sculpting on the Center grounds.

Sketch floral and landscape drawings, and, as a special treat, enjoy a *Guest Artist Session* on *Painting Trees and Foliage in Watercolor*! Develop observational, drawing, and sculpting techniques working on projects like *Air Dry Clay Impressions*, *Bubble Painted Florals* (mixed media), *Nature's Windows Clings*, and *Sun Painted Sun Catcher*. Nature will inspire, as will the included visit to Spectrum Gallery in Centerbrook!
