

## Region #4 Schools is Proud to Present a Special Speaking Engagement with Scarlett Jesse Lewis

On February 25th at John Winthrop Middle School, the Region #4 Schools is proud to present an evening speaking engagement with Scarlett Jesse Lewis, the founder of the Choose Love Movement. This social and emotional program was created following the tragedy at Sandy Hook Elementary School and is the creation of Scarlett Lewis, mother of Jesse Lewis, one of Sandy Hook's victims. The major theme of the evening will be "We can't always choose what happened to us, but we can always choose how we respond."

Scarlett Lewis has spoken nationally to schools and school communities about her experience on how Courage + Gratitude + Forgiveness + Compassion in Action = Choosing Love. We hope you will join us for this powerful event!
