

Thursday, July 25, 2019

Deep River Public Library 10:30-11:30 am
150 Main Street
Deep River, CT

Ages 3-8 years

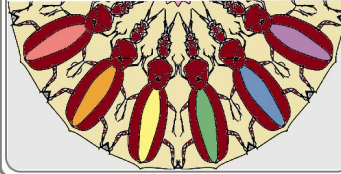

Light and Shadows

You are invited to register your child for a **fun, hands-on** science program presented by **Citizen Science Corp.**

We will explore the sources of light, and how shadows are made. Then, we will make our own shadow puppets!

Register today at your library!
