The retreat began at approx. 9:00 a.m.

Nick Caruso of CABE shared presentations on Roles and Responsibilities of Board Members and Administration.

There were discussions regarding past, current and future directions the Boards would like to pursue. Including what has worked; what hasn't worked; and what should be changed or done differently moving forward.

Superintendent White will schedule another BOE retreat for some time in April, once the main budget development season has ended.

The retreat ended at approx. 12:00 pm.
