

Thursday, July 18, 2019

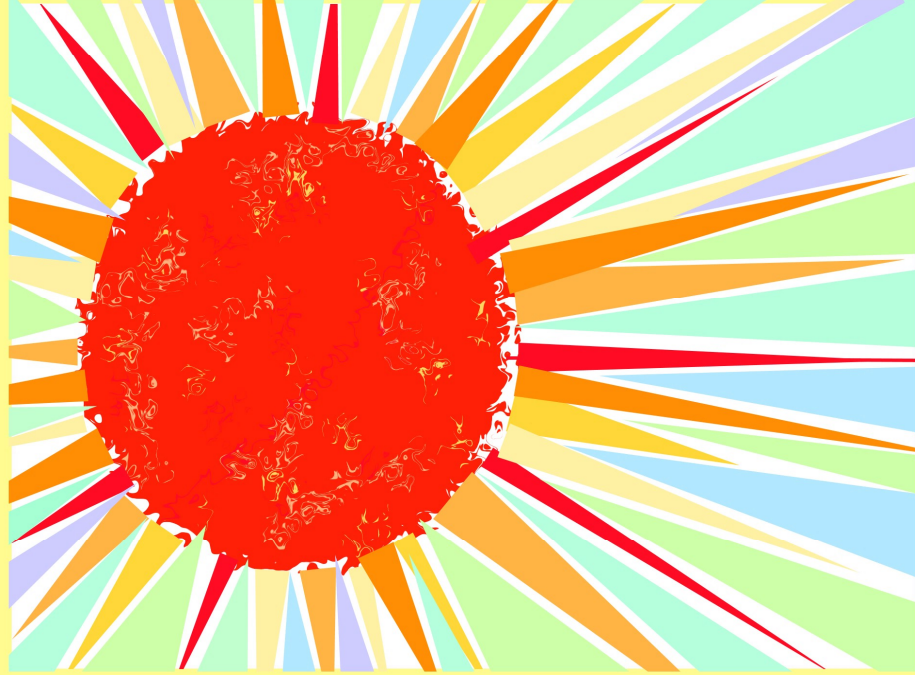

10:30 - 11:30 am

Deep River Public Library
150 Main Street
Deep River, CT

Ages 5-8 yrs

The Sun

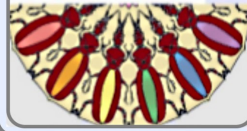

How the sun affects life on earth

You are invited to register
your child for a fun
hands-on science program
presented by
Citizen Science Corp.

Learn some cool facts about the
sun in this program! Find out
how life on earth depends on
the sun, and how to measure the
sun's energy. Participants will
make their own sun dials and
we will use the sun's energy
to make a snack!

Register at your library or on-line!
