Chair Sandmann called the special meeting to order at: approx. 6:00 p.m.

Superintendent White shared that the purpose this evening, as we approach the May 2<sup>nd</sup> referendum vote on the proposed Region 4 Fields Renovation Project, is just to serve as a factual reminder and to re-share once again for the public, the general project information that has been discussed at past meetings, as well as the recent public hearing on March 29, 2023. It also provides another forum for the public to ask any questions they may have as we approach the referendum vote on this proposed fields renovation project.

The Public was given time to ask questions or make comments.

On motion duly made and seconded, the Board unanimously VOTED to adjourn at approx. 7:01 p.m.
