

A Chem-Mystery

AUGUST 5;
5:30 PM

Help solve the mystery behind the botched bubble blowing contest with the Connecticut Science Center! Follow the clues left at scene of the crime and use science to unveil the culprit. Guided by an educator, participants will look for evidence of chemical reactions and identify the unique properties of newly formed products to help solve the chem-mystery!

This program will be presented on Zoom. Please register and indicate how many children will be participating to receive the Zoom link. You should have a pencil and scrap paper to take notes!

This program is best suited for children in grades 2-5.
